

SONESTA RESORT  
HILTON HEAD ISLAND

## Frequently Asked Questions

### When do I set my menu?

The Resort asks to have a completed menu a minimum of one month prior to the event. However, we are happy to settle these details whenever you are ready.

### Are menu tastings available?

Menu Tastings may be arranged through your Event Coordinator and are included as part of your signed contract. Menu Tastings are available typically between the hours of 1:30 p.m. and 4:30 p.m. every day of the week. The Menu Tasting must be requested a minimum of 14 days prior to the date desired and is subject to Chef availability.

### Do you accommodate special dietary needs?

If someone in your group requires a vegetarian, low-sodium, low fat, gluten-free or other specialized meal, please advise your Event Coordinator in advance. We can provide an alternate selection for those individuals—normally at no additional charge.

### Do you offer children's pricing?

Yes – Children ages 5 to 12 are half price for the food portion of your package if they are going to eat the adult meal. Special children's meals are available and are priced according to the selection made. Children 4 and under are no charge. Additionally anyone between the ages of 5 and 20 will be charged a package price for sodas, juices and waters.

### Do you have a Pastry Chef that will make the Wedding Cake?

No – you may provide your own wedding cake from any bakery you wish or we can do this for you. A list of recommended vendors is included in our wedding booklet.

### Do you supply vendor meals for those that attend the Wedding Reception?

A "crew meal" may be provided for the DJ, band members, photographer or videographer that work your reception. It is up to you if you would like them to receive the meal that your guests are eating or if you would like them to receive a boxed lunch/dinner. Please ask your Event Coordinator for prices.

### When is my final guarantee due?

In order to diligently plan for your special day, we need to be notified of the approximate number of guests 14 days prior to your event. This number allows us to schedule appropriately and to order correctly. Your final guarantee is due 72 hours (three days) in advance. This number will be considered the minimum guaranteed number of guests for which you will be billed. Any increase in the guaranteed number of guests after this time is acceptable, within reason, and will be billed accordingly.
