

# SONESTA POSADAS DEL INCA

## SACRED VALLEY • YUCAY

Nestled in the heart of the Sacred Valley of the Incas, considered the center of agricultural production of the Inca s because of its mild climate, fertile land, abundant water supply and vegetation. Our remodeled XVIII century monastery maintains its colonial charm.

One thousand meters below than Cusco, our hotel of more than 20,000 m2 gives you easy access to the artisan s markets of Pisac and Chincheros, the salt mines of Maras, the Moray andenes, Ollantaytambo ruins and to the impressive Machu Picchu ruins.

Visit the Sacred Valley, one of the most beautiful Peruvian valleys, and share a unique experience with its inhabitant s who maintain their ancestral traditions such as coca leaves lecture, earth payment ritual, among others.
