An Overview of Sonesta's Collection of Contemporary Art

Sonesta Hotels feature original art by many of the most vital and well-respected artists of our time. Museum-quality works by both emerging and established artists reflect each individual artist’s vision, while illuminating some of the most significant movements of contemporary art including Conceptual, Minimal and Pop Art. The Sonesta Collection includes over 8,000 works representing various tendencies in both abstract and referential art.

The portion of the collection housed at Sonesta Bayfront Hotel Coconut Grove includes pieces by Frank Stella, Robert Rauschenberg, Jan Dibbets, Lynn Golub Gelfman, Carl Palazzo and others. The works adorn the hotel’s public areas and guest rooms and many among them were specifically commissioned for the hotel’s collection.
